Thank you for your contribution to help us with our Projects.

COMPANY DONATING

If you are a company, you can ask us to put your company's logo with website link on our website after making a donation/advertising payment.

As a company you have 2 options.

- 1.** You can pay in any amount from your company's bank account with the reference ADD + your company name and we will email you an advertising invoice including VAT for the amount you paid which you can submit as an expense. Please email or contact us after you did the payment so that we can receive your company's details, discuss the deferent options of advertising structures and create an invoice for you accordingly.
- 2.** You can donate any amount from any bank account with the reference DONATION + your company name and we will email you a confirmation of donation letter. This letter is not an 18A certificate, it's just a confirmation of donation letter. Please email or contact us after donating so that we can receive your company's details, discuss options of what we have to offer and create your conformation of donation letter.

INDIVIDUAL DONATING

NB.. If you make a donation payment as an individual, please use the word DONATION + your Initials & Surname as reference. (E.g. DONATION JP Nel)
